

Mounting Support System Solution

For Slate Roof

Feature

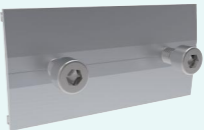

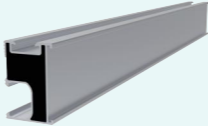

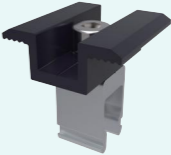

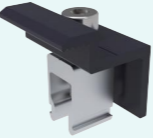

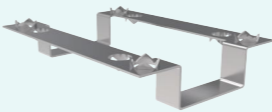

- Applicable for every 3 solar panels.
- Cover various rooftop layout scenaris.
- High quality —TÜV Rheinland certified.
- Tailored to improve design and logistic efficiency.

Technical Parameters

System Name	Fish Scales Tile Solar PV Mounting System	Panel Layout	Portrait/Landscape
Installation Site	Pitched Roof	Material	AL6005-T5(Anodized)
Roof Type	Tile, Flat Tile, Slate Tile, Asphalt Shingle Tile	Fastener	Anodized
Wind Load	0.59KN/M2	Small Components	AL6005-T5(Anodized)
Snow Load	1.4KN/M2	Color	Silver
Applicable Solar Module	Framed/Frameless, Any width panel	Warranty	12 years

Component Details

	Waterproof Flashing GM-CH-L4 AL6005-T6/SUS304		Rail splice GM-RS-79-100-GCL AL6005-T5/SUS304
	Rail GM-R79 AL6005-T5		Mild Clamp GM-MC-35-GCL AL6005-T5/SUS304
	End Clamp GM-EC-35-GCL AL6005-T5/SUS304		Rail Cover GM-BN-C79-GCL Silica
	Earthing Clamp GM-E-EL-16-GCL SUS304		Earth Lug GM-EK-GCL
